

SOCKS WITH A MISSION: SOCK DRIVE CHECKLIST

You can help in our mission to provide new, warm and dry socks to our homeless neighbors in Pittsburgh by organizing your very own sock drive!

TYPE OF EVENT

- 1 This is a great place to start. What kind of event do you want? A drive at church? Work? Or maybe even a social gathering with sock donations as your ticket in? There are endless possibilities.

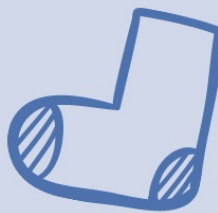

2 DATES FOR EVENT

Now, you can decide when you want to hold your event. There are no limitations! You could do a week or two-week long drive, or it could be a single night event.

3 ADVERTISE

- 3 Time to get creative and spread the word! There are many ways to do this. Let your friends, family, neighbors, co-workers and all know about your sock drive through posters, flyers, social media, text, email, and others.

4 TYPE OF SOCKS TO COLLECT

Please collect NEW socks only in MEN'S and WOMEN'S sizes. Crew length socks with a reinforced toe and heel are ideal. Socks with a Mission does not have the ability to clean large volumes of socks. Plus, anything new for the homeless is a rare treat that they appreciate greatly.

5 HOLD YOUR DRIVE!

- 5 Now that you have completed steps 1-4, you can finally hold your very own sock drive! Collect as many socks as you can for the homeless. We appreciate your participation and kind heart.
